Pavement Repairs on WB North Avenue between Thatcher Avenue and 5th Avenue

CHICAGO – The Illinois Department of Transportation (IDOT) announced that lane closures will take place on westbound North Avenue (Illinois 64) between Thatcher Avenue and 5th Street, in Melrose Park, weather permitting, Wednesday, June 28. The closure is necessary to perform pavement repairs.

Beginning at 9 a.m. Wednesday, the two right lanes on westbound North Avenue will be closed. The pavement repairs are expected to be completed by Wednesday evening.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
